1 has the commission approved this as a part of the series?

Yes

2 have conferences in the series received IUPAP support before?

Yes

3 If Yes to question B2, please state details of the most recent IUPAP support received.

Financial support was provided in 2001
The congress is held every third year
Application for ICA 2016 was initiated in 2014 and was given pre-approval to be reconsidered by IUPAP in 2015
This is still an active application for IUPAP funding

C. If this is not a conference in a series which has received IUPAP support previously please explain

briefly why your Commission is recommending it for endorsement.

Not applicable
